I love to travel...

**and to jump
from hand to
hand to say Hi**

**HIGH

Sometimes adults get worried when they read the news or see me on TV

But I am going to explain myself...

So you can understand...

When I come to visit, I bring...

Difficulty breathing

Fever

Cough

But I don't stay with people for long, and almost everyone gets better

Just like when you get a scrape on your knee and it heals

BYE BYE...

It's normal to worry!

But the adults who take care of you:

will keep you safe

And you can help...

1

**By washing your hands
with soap and water
while singing a song**

**You can sing your favorite song,
the happy birthday song, or the
alphabet song**

2

**By using hand sanitizer
and letting it dry on
your hands**

Without moving them count to 10

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

**Once your hands are dry you can get
back to playing!!**

If you do all that and stay at home, it helps to stop me visiting so many people

while the doctors work to find a vaccine that will allow me to say hi without getting you sick.
